

# AUTUMN NEWSLETTER

Happy, happy Autumn! A poster in our office said, “Autumn, the second spring, when every leaf’s a flower! How true especially when we live in this beautiful area. We hope you are enjoying the season, and looking forward to the upcoming holidays.

## HARVESTING HOPE

Our Harvesting Hope Food Drive for the Napa Food Bank is in full swing, but we need your help. Our barrels are not as full as we would hope and the Food Bank has let us know that their donations have been lower this year, so the need is especially great. If you would like to share in this community outreach program and contribute nonperishable foods to be shared with the less fortunate in our community, please bring your foods by the office by November 14. With our raffle, you may win goodies available for your Thanksgiving.

## END OF YEAR APPOINTMENTS

As we approach the end of the year and that busy time when there never seems to be enough time, we want to be sure to remind you that (1) if you have unfinished, diagnosed care, and (2) you have **INSURANCE** that functions on a calendar year, and (3) you still have unused benefits, make your appointment now to find the best time for you. We will be closed the Wednesday before Thanksgiving and through the rest of the week and we will also be closed the week of Christmas and not reopening until January 2, making even more urgent you get on our schedule soon. Your insurance does not get any cheaper if you don't use it!

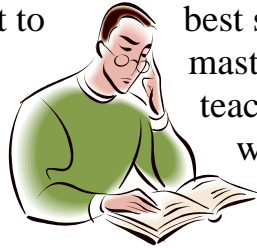

Also, if you have **STUDENTS** who will be returning home for the

holidays and they are due for an exam or cleaning, please get their schedule ASAP and call to book an appointment with us. Those times fill quickly and we always want to avoid any potential problems while they are away.

We like to have fun in our office, and Halloween is a good excuse to do just that, so we thought we would share our latest team members, AKA Dr. Fenderson and Laura.

*During this beautiful season, we are thankful for many blessings. We are thankful that we live in a nation with amazing rights and privileges, including the freedom to work at that which we choose, to worship as we choose, to travel as we choose, and to strive for the goals that we choose. We are thankful for the kindness and charity of the people of this community. And we are thankful for you, who are our friends as well as patients. We hope that your holiday season is full of family, friends and love, and that you have a healthy and prosperous new year.*
